# THE PROCESS

*for booking with us*

A seamless and exciting part of your bridal experience!

Choosing a bridal hair and makeup artist is so personal, and we make it easy to get the look you want. You only have one chance to get the look right, and you want to look good (like really good)! Planning a wedding can be stressful. But booking your hair and makeup artists shouldn't be!

## HERE'S WHAT THE PROCESS LOOKS LIKE

01.

### Book Your Date

The first step is to say hi! Send us an inquiry to receive a formal quote. All dates are booked on a first-come, first-served basis. If you decide we're the perfect fit, you'll pay the retainer & sign the contract to save your date!

03.

### The Trial

Trials are ≈ 2-3 hours long, and typically scheduled 4-6 weeks before your event date. This is where we'll have time together to discuss your vision and make the style come to life and make it completely unique to you.

02.

### Wedding Prep

Upon booking, you'll instantly receive a drafted hair + makeup timeline. Along the way, we'll also be checking in frequently to review any changes, confirm details, share tips & tricks, and provide any support you might need!

04.

### Wedding Day!

Sit back and relax, we'll take care of all the details for your wedding day look. We'll travel to the location where you'll be getting ready. Our main goal is to make you feel confident, beautiful, and relaxed on your special day!

# FAQ

## *frequently asked questions*

### 01. How far in advance should I book?

We start booking about 12 months out. Our most popular months are June, September and October which tend to book up first. Due to high-demand, dates are not secured without a retainer and contract. To check our availability, fill out the bridal form under Contact and we'll be in touch soon!

### 02. Are trials required and when should I book one?

Trials are extremely important in creating your dream look and gives you the opportunity to try multiple looks. We also want to connect with you before the big day so we can get to know each other a bit more. Majority of our brides will lock in their wedding date first, then do the trial closer to the wedding. This is recommended to ensure we are still available for your date since our team books up very quickly. We provide trials at our private studio in West Linn, Oregon.

### 03. Can you accommodate large bridal parties?

Definitely– We can provide multiple stylists and artists to be there for large bridal parties to cut down on the time getting ready! We cover bridesmaids, junior bridesmaids, mother of the groom, mother of the bride, aunts, flower girls and more. Booking in advance is recommended to ensure availability and coverage for your large bridal party!

### 04. Do you travel for weddings?

Yes! We travel all over Oregon and beyond, including Washington. We also loveeee to travel for destination weddings all over!

05. My mother is worried about getting her hair and makeup done, how can you help?

Our team takes pride in delighting our moms with our makeup services. We specialize in natural-looking makeup and have excellent communication skills. Our top priority is to make sure our clients are comfortable with the look we create and feel confident in their own skin. We always begin with a consultation to understand our client's preferences when it comes to makeup and hair. Trust us, we've got this!

06. Do you help with the logistics and scheduling?

We specialize in customer service and operations, collaborating with your planners or directly with you to create an organized beauty schedule for your special day. With years of experience and countless weddings under our belt, we're equipped to assist with all communication, planning, and logistics. Our dedicated Bridal Coordinator will be there to guide you every step of the way and ensure a seamless beauty planning experience.

07. How do I prepare for my service?

To ensure the best outcome for your makeup and hair services, we suggest cleansing and moisturizing your face before arriving. It's also important to have clean, dry hair. Additionally, it's essential to provide a comfortable and clean area for your artist to work. Make sure there's enough space for them to lay out their professional kit, whether it's for makeup or hair supplies.

I used VAMP Beauty for my 2020 elopement and they were amazing! One of the main reasons I booked them is because I saw the beautiful work they did on POC, so I knew they could work with my skin tone. I highly recommend them!!
